WARNING

WARPING:

Petitioner/applicant is causioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft.

Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form

PTO-2038 submitted for payment process) is never required by the USPTO to support a period or application. If this type of personal information is
included in documents submitted to the USPTO, peritioner/applicants should enseider reducing such personal information from the documents before
submitting them to the USPTO. Peritioner/applicant is advised that the record of a patent application is available to the public after publication of issuance of a patent. Furthermore, the record
from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR

1.14). Checks and credit out outplication forms PTO-2038 submitted for payment purposed are not retained in the application file and therefore are not
multiple available. publicly available.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and heliaf are believed to be true; and further that these statements were made with the knowledge that willful false statements and the tike so made are pumulable by fine or imprisonment, or both, under Section 1001 of True 18 of the United States Code and that such willful false statements may jeoperdize the validity of the application or any patent issued thereon.
